## **Response to Consultation Response Form**

### **Section 4 – Vision and Objectives**

4.2

I agree that the Arnside & Silverdale AONB should be conserved and enhanced for future generations.

4.4(3)

I agree that it is vital not to impact on the landscape, character and special qualities of the AONB in any housing decisions made. I don't agree that the Housing Needs Survey Report adequately demonstrates a material need to increase housing within Warton or in any open areas in the AONB.
