If you want to suggest a site that does not appear on the maps **please explain in red** with the site outlined in red. Please state the uses which you propose allocating the site for and explain your reasoning. Also, please include the name of the landowner if known.

New development can provide benefits to communities through enabling the delivery of improved or new community facilities (for example, play areas, allotments, green space, car parks, traffic management, pedestrian and cycle links, health and education facilities and community centres etc).

Do you think that your area needs new or improved community facilities?

If so, what sort of facilities and where?

Please explain the types of improved and/or new community facilities you feel your community may need in the next 15 years (continue on a separate sheet/expand box if necessary).

Please respond here if you have any comments to make about the documents and approach. Please indicate the name of the document, page number, paragraph number or policy reference (where applicable) by ticking the appropriate box.
