## Your comments

Need to emphasise the value of footpaths in the countryside, providing green corridors and linkages through Infrastructure.

There is enormous value in the countryside and footpaths provide great value for inhabitants and visitors for health reasons. Footpaths should be an integral part of green infrastructure.

(continue on a separate sheet if required)

Are there any other topics you think we have missed? You may wish to refer to Section 8 of the Discussion Paper 'Other Saved Local Plan Policies'.

There should be a Green infrastructure Planning Document incorporated within the combined Local plan.
