Subject: Land Allocations DPD

The South Lakeland Allocations DPD does not conform with the following sections of the National Planning Policy Framework:

Achieving sustainable development

- * The South Lakeland Allocations DPD compromises the ability of future generations to meet their needs by proposing the building on agricultural land thereby reducing the capacity to be self sufficient in food production and increasing our reliance on imported food.
- * The DPD does not contribute to protecting and enhancing the natural environment.

11. Conserving and Enhancing The Natural Environment

- * The South Lakeland Allocations DPD does not contribute and enhance the natural and local environment
- * Development of agricultural land has not been demonstrated to be necessary.
- * The proposed development areas do not take into account the adverse effects from pollution.
