one main issue is parking
in Kendal for those visiting
and working. Kendal
currently is not encouraging
to shop visit the town. We think
active policies
to encourage a vibrant
town. Village is ok
for a few.*

Dear Sir or Madam

**SOUTH LAKELAND LOCAL DEVELOPMENT FRAMEWORK
LAND ALLOCATIONS – CONSULTATION ON EMERGING OPTIONS**

South Lakeland District Council is consulting widely from 21 January to 15 April 2011 on its suggestions for new sites for homes, jobs and community facilities, to meet the needs of communities in South Lakeland (outside the National Parks) to 2025. The consultation is being publicised widely and includes a series of consultation 'drop-in' days when you can discuss proposals with Council Officers.

We hope you can take time to consider the suggestions and let us have your comments by **Friday 15 April 2011**. The Council will consider all comments before preparing a final draft plan. When this is published, everyone will again have opportunity to make representations. These will be considered by an independent Inspector when assessing the 'soundness' of the document.

Full details of the proposals and how you can let us have your views are on the Council's website at www.southlakeland.gov.uk/landallocations and also to inspect at South Lakeland House (Kendal), Ulverston Town Hall and libraries at Arnsdale, Grange over Sands, Kendal, Kirkby Lonsdale, Milnthorpe and Ulverston. We can also provide information on CD or paper on request.

If possible, please make your response on-line as this will save admin costs, but you may also complete the form and email it to us at developmentplans@southlakeland.gov.uk or post it to Development Plans Manager, SLDC, South Lakeland House, Lowther Street, Kendal, Cumbria, LA9 4DL. To respond on-line your username is StationHouseSurgery and your password is 4149stap. All responses will be made available to view on-line (with signatures and addresses removed) and therefore cannot be treated as confidential. Responses will not be acknowledged individually, except on request.

In responding, please also let us know if you wish to be informed when the Land Allocations document is submitted to the Secretary of State for independent examination.
