Sarah Vaughan

Thank you for your email of 27 January 2011.

We will treat your response as part of the response to the current public consultation and place it on the web. The Council will take account of your comments in preparing the draft Land Allocations document.

Regards

**Alastair McNeill**

I write with regard to MAP 4 2 of 2 - Milnthorpe Village Centre.

There is an error on the map. You have Mallow House down which should be Number 25 - Stoneleigh and number 25 should be Mallow House.

As owners of Stoneleigh we would advise that even though the property is currently being used as offices, it would be extremely detrimental to the building if this remained in your proposed catchment area of retail.

The property was originally a home and would lend itself in the future to provide housing. If the current business decided to move from these premises or to close the business, we would find it extremely difficult if not impossible, to attract a similar type of business, as in a retail environment, office space is the only viable option for this property.

We would ask that you not include this building in the retail catchment area in order that the property has the option in the future to provide local housing.

Many thanks

Sarah Vaughan  
Trustee
