Can we again please advise that the property marked Mallow House is incorrect. This property is 25 Main Street. 25 Main Street has been residential and commercial and needs to have the option of either being residential or commercial going forward and therefore we ask again that you acknowledge the error in the map and to take 25 Main Street (you have as Mallow House!) out of the commercial boundary.

Please acknowledge receipt of this e-mail and confirm as soon as possible.
