Subject: Housing development in Heversham

The Development Strategy Manager
SLDC

Dear Sir,

I wish to comment on the development plans for Heversham. I understand the proposal is for another 99 houses to be built in the village.

Heversham is a small village with few amenities and to add such a large number of houses would be out of all proportion.

Some roads, particularly Woodhouse Lane are narrow and not suitable for any increase in traffic.

On the sites proposed the effect on the landscape and the appearance of the village would be detrimental.
