Dear Sir

We have seen a copy of the AONB (SILVERDALE and ARNSIDE) Document relating to a possible housing development at site 50- we do not approve of this for the following reasons:-

1/ An outstanding scenic area with its unique views would be forever lost.

P.T.O

2/ We are regular visitors to SILVEROME and feel relaxed by the wildlife fauna and flora. This, we feel would be impaired.

3/ More traffic would add to congestion on the narrow roads

4/ We find parking difficult already.

Yours Sincerely,
