Comments about suggested site allocations (and other map designations)

Please use this form to comment on emerging options and other sites as they appear on the settlement maps. **Please complete one of these sheets for every response you make.**

Which site or allocation do you wish to comment on?			
Settlement (e.g. Natland)	Map Number (e.g. 11)	Site reference number (e.g. R62)	Other designation – If you want to comment on something that doesn't have a site reference (e.g. development boundary, town centre boundary, green gap) please describe it here
Kendal		R129M,E33,SL1B	
Do you support, oppose or support in part the suggested allocation or designation? (delete as appropriate)			
I do not support the suggested site allocation/designation for the following use(s) Housing: Oppose. Employment: Oppose. Waste Recycling Facility: Oppose			
Please explain your reasons (continue on a separate sheet/expand box if necessary)			
<p>I wish to oppose the allocation of land adjoining Underbarrow Road (R129M) as a site for residential development,E33 for Employment and SL1B as household Waste Recycling Facility. The reason for this opposition are :</p> <ul style="list-style-type: none"> - Increase volume of car traffic down Greenside, increasing noise, emissions, carbon footprint and will further increase risks to pedestrians , especially children needing to cross the road to go to School. - Greenside is a conservation area and I believe this will affect the character of Greenside and streets in immediate vicinity - Potential risk of flooding - The Kendal Transport Assessment said that the highway network could not cope with additional traffic from potential development on Underbarrow Road and Brigsteer Road. - Employment- There is an empty industrial space on Underbarrow road - Increase pollution in the area - Development will be viewed from Scout Scar - Where are the plans for increased capacity in utilities (water, electricity, gas, sewage)?
