Dear Sir,

In reply to the Land Allocations Consultation held in Brigsteer village hall I would offer my support to the land plot RN213 for a cross subsidy of freehold and affordable homes for rent. I would also like to see a reduction in the number of homes on this plot from 13 to 7 or 8. The plot RN214 as a rural exception site does not at this time have my full support as I believe that all sites should have the right to a cross subsidy.

Yours sincerely,

Maureen Whelan.
