

Mrs M. Wooff.

Lancaster City Council. 3RD Jan 2017,
Planning & Housing Team.

I am writing to
Object to the proposal to demolish
a wonderful house 'Inglebank'
at 17 Main St, near where I live.
to build houses on the great Bank
behind, not only that, the road
is very narrow & dangerous a bit
further south, we have had a few
accidents there, houses on both
sides of road, I have houses over-
looking us already, and had to

alter my garden, for water like
a stream pouring down, when
they were built.

Yours sincerely
