Dear Sir/Madam,

I enclose a copy of my comments to
Sainsbury Ulverston Consultation.

I acknowledge that we shouldn't stifle
progress.

I am concerned however, that the small businesses
of Ulverston will suffer, and the traffic increase
on its narrow streets will be a danger to
pedestrians, as well as damaging footpaths
and buildings, and destroying the unique
identity of this ancient town.

yours faithfully

• I am generally in favour of Sainsbury's new store proposals for Ulverston.

☐ Agree ☐ Disagree ☒ Not sure

• What do you like about the proposals?

• Is there anything you would change about the proposals? *Leave out the restaurant.*

• Where do you currently do your food shopping? *Booths in Ulverston, and the small food shops & markets in Ulverston.*

• Further comments: *① The provision of a restaurant will discourage customers from continuing onto Ulverston for refreshment and other shopping.
② What is the risk of fumes from the BioMass Boiler being carried by the prevailing wind into Ulverston?
③ Daltongate might not be fit for purpose with the increase in vehicular traffic from Areas North of Ulverston, and will therefore have to become one way in a West to East direction for part of it.*
